o For making template by your self

@TITLE@ : Slide title

@CURNUM@ : Current slide number (1,2,3,4,,,))

@PREVNUM@ : -1 from current slide number (1,2,3,4,,,))

@MAXNUM@ : Maximum slide number (1,2,3,4,,,))

@NEXTNUM@ : +1 to current slide number (2,3,4,,,))

@SLIDEIMG width=480 height=360@ : Slide image in the web

@BODY@ : characters that appeared in the slide

o If your are making SOI style materials, you have to edit below.

01 : To your own lecture ID

Jun Murai : To person who really did the lecture
